

## DEAR PARENTS

We are so looking forward to welcoming back all our learners on Monday, 6 July!

The rotation schedule was a test run. Thank you for your co-operation and patience with us in this process. We believe it gave us time to adequately prepare for the return of the whole school.

As principal, I want to thank our staff and parents. Because we all worked so hard, we are mostly up to date with Term 2 work and we can actually start with Term 3 work in most grades and subjects. This has been no mean feat and I salute the family and staff members who have worked so hard. This would not have been possible without you all!

**Parents who choose to NOT SEND THEIR CHILD BACK TO SCHOOL, have to sign and return the attached letter on/before Monday, 6 July 2020, otherwise your child will be removed from the school's register.**

**For ALL learners attending school, it is vitally important to please remember:**

- Their own mask and shield.
- Their own small towel for hand washing.
- Their own food and water bottle.
- Their own stationery, if it is not at school.

These are uncertain times and I advise parents to speak to me if they feel unsure about any aspects pertaining to school.

Kind Regards,

#Be Safe

**THE ZOË STAFF**
